SUC President IV
Pampanga State Agricultural University

Dear President David:

Greetings!

The Central Luzon Health Research and Development Consortium – Capacity Building Committee will conduct a training series on **Writing for Publication of Qualitative Health Research** on **July 24-25, 2024,** in Angeles City, Pampanga (exact venue to be announced). The workshop aims to equip participants with the essential skills and knowledge required to effectively communicate qualitative research findings in academic and professional settings.

In this regard, the Office of Research and Development respectfully endorses **Mr. Ferwin P. Precenillo** and **Mr. Fernando S. Gascon** of the College of Arts and Sciences to participate in the activity.

Moreover, may I request that the said participants be issued with an **Office Order** regarding their attendance at the said activity.

Attached herewith is the letter of invitation.

Thank you very much for your kind consideration and more power.

Very truly yours,

ROGELIO P. CARANDANG JR., Ph.D.
Director, Office of Research and Development

Recommending Approval:

GERALDINE C. SANCHEZ, DVM, Ph.D.
Vice President for RIET

SYLVIA S. DE GUZMAN, Ed.D
VP for Academic Affairs

APPROVED:

Dear **President David:**

The Central Luzon Health Research and Development Consortium – Capacity Building Committee's second activity in the training series: **Writing for Publication of Qualitative Health Research** is scheduled to take place on **24-25 July 2024** in **Angeles City, Pampanga (exact venue to be announced)**. The workshop aims to equip participants with the essential skills and knowledge required to effectively communicate qualitative research findings in academic and professional settings.

Specifically, it will focus on enhancing participants' ability to write, review, and publish qualitative health research articles. Through interactive sessions and practical exercises, participants will gain insights into structuring manuscripts, addressing reviewer feedback, and navigating the publication process.

In line with this, we would like to respectfully invite **two (2) participants** from your institution that have completed research studies ready for publication. The training is free which includes meals, overnight accommodation, and training kits. However, their transportation shall be shouldered by your institution.

Due to the interactive nature of the workshop and to ensure personalized attention, we have limited the number of participants. Therefore, early registration is encouraged. Please confirm the attendance of your participants through e-mail at region3.healthresearch@gmail.com on or before 15 July 2024. Kindly note that confirmation of registration will be provided on a first-come, first-served basis. Should you have any questions or require further information, please feel free to message the Secretariat.

Thank you very much for your support to this CLHRDC undertaking.

Very truly yours,

BELLA G. PANLILIO, PhD
Chair, CLHRDC – Capacity Building Committee
