DR. ANITA G. DAVID
President
Pampanga State Agricultural University
Magalang, Pampanga

Dear **President David:**

Greetings!

The Central Luzon Industry, Energy and Emerging Technology Research and Development Consortium (CLIEERDEC), through its Research and Development Management Committee (RDMC), will be conducting **a Research Proposal Ideation Session on August 18–20, 2025 at the Precision and Digital Agriculture Center (PreDiCt), Central Luzon State University.**

This initiative aims to foster collaborative idea generation and proposal development in alignment with regional and national R&D priority areas. To ensure focused discussions and productive outputs, participating institutions have been grouped according to thematic expertise.

We previously sent a communication dated July 22, 2025, inviting your institution to participate in the activity under the Bioenergy thematic area. Following the CLIEERDEC Governing Council meeting last July 29, an additional thematic area, Natural Products, has been added to the agenda.

In line with this, we are respectfully requesting your institution to:

- Send **one (1) expert in the field of Bioenergy** to participate in the ideation process and work collaboratively with fellow researchers from Consortium Member Institutions in crafting research concepts for potential consortium-initiated projects;
- Send **one (1) expert in the field of Natural Products** to take part in the discussions and contribute ideas within the newly added thematic group; and
- Deliver **one (1) presentation as a lead institution in Bioenergy,** highlighting your current programs, initiatives, and institutional capabilities in the field.

mean Kevin (1)

We would also like to invite **Dr. Mari Rowena C. Tanquilut** to join the activity as part of the committee. Her presence and insights will be valuable to the discussions and outcomes of the session.

To support participants during the three-day session, the consortium will provide morning and afternoon snacks, as well as lunch. While meals during the activity will be provided, we kindly ask that accommodation arrangements be handled by the participants' respective institutions.

TENTATIVE PROGRAM OF ACTIVITIES

Time	Activity	In-Charge/Speaker
DAY 1: August 18, 2025		
8:30A.M. – 9:00A.M.	Registration	Secretariat
