**Dr. Anita G. David**
SUC President
This University

Dear Ma'am Anet,

Greetings of good health and peace from CoECS Family!

I hope this letter finds you well. I am writing to inform you of an exciting opportunity for our undergraduate programs in engineering to establish an international linkage with the Asian Institute of Technology (AIT).

The AIT is renowned for its advanced research, academic excellence, and strong emphasis on innovation and sustainable development. Partnering with AIT would provide our faculty and students with invaluable opportunities for collaborative research, academic exchanges, and professional development. It would also enhance our college's global presence and reputation in the field of engineering.

The proposed linkage includes the following key areas of collaboration:

1. **Exchange of Faculty and Researchers:** Facilitating the exchange of faculty members and researchers to foster academic and research collaboration.
2. **Student Exchange Programs:** Establishing exchange programs for undergraduate and graduate students to enhance their academic experience and cultural understanding.
3. **Joint Research Projects:** Collaborating on research projects of mutual interest and sharing research outcomes. Exchange research information, materials and publications.
4. **Curriculum Development:** Jointly developing and enhancing academic curricula to ensure they meet international standards and address current industry needs.
5. **Seminars, Workshops, and Conferences:** Organizing joint seminars, workshops, and conferences to disseminate knowledge and encourage professional development.
6. **Symposia and Technology Transfer.** Exchange and collaboration activities in symposia and technology transfer to disseminate knowledge.
7. **Publication and Dissemination of Research Findings:** Co-authoring publications and sharing research findings in academic journals and conferences.

We believe that this partnership will significantly benefit our institution by providing access to AIT's extensive resources, expertise, and network. It will also offer our students and faculty unique opportunities for growth and exposure to international best practices in engineering education and research. Attached herewith is the Memorandum of Agreement checked by the office of the Public Affairs and International Linkages.

7/12/24
9:36

We kindly request your support and approval to pursue this strategic linkage with the Asian Institute of Technology. We are confident that this partnership will bring immense value to our College and contribute to our university's mission of excellence in education and research.

We earnestly hope that this humble request will merit your most favorable consideration and approval for the greater interest and welfare of the students, faculty, and other stakeholders. We look forward to your positive response and are happy to provide any further information or discuss this proposal in detail at your convenience.

Thank you very much and God bless us always!

Very truly yours,

**Maria Cristina V. David, PhD**
Chairperson, DCE-CoECS

# MEMORANDUM OF AGREEMENT

**KNOW ALL MEN BY THESE PRESENTS:**

This Memorandum of Agreement made and entered into by and between:

The **PAMPANGA STATE AGRICULTURAL UNIVERSITY (PSAU)**, a state university of higher learning in education, research, extension and production duly recognized by the Commission on Higher Education (CHED), created by virtue of Republic Act. No. 10605 with office address at San Agustin, Magalang, Pampanga 2011 represented herein by its *University President*, **DR. ANITA G. DAVID** for implementation of the Project, hereafter referred to as "PSAU".

**and**

The **Asian Institute of Technology (AIT)**, an international postgraduate institution located in Pathum Thani, Thailand, represented herein by its President, **PROF. KAZUO YAMAMTO**, hereinafter referred to as "AIT".

## I. PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to establish a formal partnership between PSAU and AIT to promote academic collaboration, research cooperation, and cultural exchange in the fields of engineering and technology.

## II. OBJECTIVES

Upon the principles of equality and reciprocity, PSAU and AIT shall endeavor to promote the following objectives:

1. To harmonize the higher education system in the field of civil engineering of both PSAU and AIT.
2. To apply the global standard and establish standards for education in related field,
3. To create a communication and trans-mobility network between PSAU and AIT,
4. To promote research collaborations in academic and scientific activities, such as course, seminar, workshop, conference, symposia and technology transfer;

## III. AREAS OF COOPERATION

The cooperation between PSAU and AIT may include, but is not limited to, the following areas:

1. **Exchange of Faculty and Researchers:** Facilitating the exchange of faculty members and researchers to foster academic and research collaboration.

2. **Student Exchange Programs:** Establishing exchange programs for undergraduate and graduate students to enhance their academic experience and cultural understanding.

3. **Joint Research Projects:** Collaborating on research projects of mutual interest and sharing research outcomes. Exchange research information, materials and publications.

4. **Curriculum Development:** Jointly developing and enhancing academic curricula to ensure they meet international standards and address current industry needs.

5. **Seminars, Workshops, and Conferences:** Organizing joint seminars, workshops, and conferences to disseminate knowledge and encourage professional development.

6. **Symposia and Technology Transfer.** Exchange and collaboration activities in symposia and technology transfer to disseminate knowledge.

7. **Publication and Dissemination of Research Findings:** Co-authoring publications and sharing research findings in academic journals and conferences.

## IV. RESPONSIBILITIES OF THE PARTIES

1. **PSAU Responsibilities:**

   - Facilitate the exchange of students and faculty members as per agreed terms.
   - Provide necessary support and resources for joint research projects.
   - Ensure the accommodation and welfare of visiting AIT faculty and students.

2. **AIT Responsibilities:**

   - Facilitate the exchange of students and faculty members as per agreed terms.
   - Provide necessary support and resources for joint research projects.
   - Ensure the accommodation and welfare of visiting PSAU faculty and students.

## V. FUNDING

The funding for activities under this Agreement will be mutually agreed upon by both parties on a case-by-case basis. Both institutions will seek external funding sources to support collaborative initiatives whenever possible.

## VI. DURATION AND TERMINATION

This Agreement shall be effective from the date of signing and shall remain in force for a period of five (5) years. It may be renewed upon mutual written consent of both parties.

Either party may terminate this Agreement by giving written notice to the other party at least six (6) months in advance. Termination of this Agreement shall not affect the implementation of ongoing activities agreed upon prior to the notice of termination.

## VII. SUPPLEMENTARY REFERENCES

The programs listed above are to be carried out after mutual consultation. Details of specific programs under this Understanding will be set forth in a separate memorandum of agreement and read as part of this Understanding.

The terms and conditions of any specific program conceived pursuant to this memorandum shall be contained in the separate memorandum of agreement, which agreement shall be discussed and executed by the appropriate response offices of both parties prior to the initiation of any particular program of activity.

## VIII. AMENDMENTS

Both parties may, when circumstances warrant, request for the amendment of any provision of this Agreement after two years from effective date of signing; provided however, such amendment will not be conducted more than once every two years thereafter. Any amendments to this Agreement shall be made in writing and signed by authorized representatives of both parties.

## IX. DISPUTE RESOLUTION

Any disputes arising from the interpretation or implementation of this Agreement shall be resolved amicably through mutual consultation and negotiation between the parties.

In the event that a controversy, dispute and/ or claim relating to this Agreement arise due to invalidity, termination, or breach hereof, the Parties hereto that have concerns on this Agreement shall inform the other Parties to this instrument regarding the issue.

1. A notice of writing shall be sent by the concerned party to the other party stating therein the basis for the breach or disagreement;
2. The parties shall thereafter set meeting(s) for the purpose of setting the maters amicably; and
3. All agreements shall be reduced in writing and signed by the parties or their duly appointed representatives.

## X. EFFECTIVITY, TERMINATION AND RENEWAL

This same instrument shall take effect upon signing by all Parties and shall remain enforced and effective immediately upon signing by all parties concerned and shall remain in force unless sooner terminated by mutual consent.

IN CONSIDERATION of the mutual covenants set forth above, witness our signatures this ____ day of _____, 2024, at _____, Philippines

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement on the dates indicated below:

**DR. ANITA G. DAVID**
*University President*
Pampanga State Agricultural University (PSAU)

**PROF. KAZUO YAMAMTO**
*President*

Asian Institute of Technology (AIT)
