Dear Ma'am:

Greetings of peace!

I am truly grateful for the opportunity that Pampanga State Agricultural University have given me. Our Institution mold me to be more competent and it contributed so much to my professional growth. It is truly fullfiling to be part and see our students hold their Degree and soon became foresters as it has always been my desire to teach and partake in our students' success.

Hence, with great honor and opportunity to serve our University again, I am writing to your good office to express my utmost intention to apply for the same position of Instructor I (Temporary) as my appointment will expire on August 24, 2024.

If my re-application will be granted, I will be able to teach my assigned subjects for this coming semester i.e. some major and minor subjects of Forestry and Agroforestry and perform my other duties as well such as being Head of Bamboo and Rattan RDE Center, in-charged of the Coffee Project, Safety Officer, Alumni Coordinator, and Admitting Personnel, of the Department.

I am happy to inform you that I have finished ***all academic courses*** in my MS in Forestry (Major in Reforestation - Management) and currently enrolled and conducting my Master's Thesis at Tarlac Agricultural University.

With all this, I am hoping for your favorable response to my re-application and may you give me the chance to teach again and contribute my knowledge and skills in our humble University.

Attached herewith is my accomplishment report for this year and some of the necessary attachments.

Thank you very much and praying that my re-application be given favorable consideration.

Sincerely yours,

Mr. ALLAIN JAMES T. AQUINO, RF

Ma'am:

Greetings!

As the Dean of the College of Agriculture Systems and Technology, I am pleased to recommend the renewal contract of **Mr. Allain James T. Aquino** for the position of Instructor 1 (temporary).

As I noticed, Mr. Aquino has fully performed his duties and responsibilities with compassion and utmost willingness. He has been also participating actively not only with the College and University's undertakings but also for the betterment of our institution. Further, he has shown commitment and dedication to the university's vision, mission and core values.

It is my hope that the abovementioned rationalizations, together with fortitude, eagerness and passion to work in this esteemed university, merit my request for the approval of the said appointment.

Thank you ever so much and Godbless!

Respectfully yours,

RAFAEL R. RAFAEL, Ph. D.
Dean, College of Agriculture Systems and Technology
