03 July 2024

Dr. Enya Marie D. Apostol
University President, Mindoro State University (MinSU)
Alcate, Victoria Oriental Mindoro

Subject: **Benchmarking on MinSU's Income Generating Projects.**

Dear **President Apostol:**

The Pampanga State Agricultural University has always prioritized excellence in providing distinctive instruction while fostering innovation, impact-driven research, responsive extension, and meaningful partnerships–all towards transforming agricultural production and development for the benefit of people and the environment.

To continually enhance and ensure the quality of the services it delivers, the PSAU, particularly the **Office of Business Affairs,** wishes to conduct a benchmarking activity on the different **Income Generating Projects** of **Mindoro State University (MinSU)** on **July 29-31, 2024,** or at your most convenient time.

Our goal is to conduct a comprehensive comparative analysis of our business affairs functions, optimizing our processes, enhancing efficiency, ensuring alignment with industry standards, and leveraging insights from MinSU's experiences and best practices. We aim to identify opportunities for improvement and implement strategies to enhance the operational and financial performance of our Income Generating Projects (IGP) for the following:

- Canteen
- Marketing Center
- Commercial Space Use/Rentals
- Lodge and Accommodation
- Agricultural Land Use & Agricultural IGPs
- Biological Assets

Should there be any updates or clarifications regarding the request, please contact **Mr. Emil Catacutan** of the PSAU-Planning and Resource Generation Office or you may also contact him at **emil_catacutan@psau.edu.ph** or at mobile number **0997-169-5848**.

Thank you and we look forward to your favorable response.

Very truly yours,

Anita G. David, Ed.D.
SUC President IV
