Subject: Request for Approval to Attend the Train-the-Trainer Program focused on Artificial intelligence (AI)

Dear Ma'am,

I hope this letter finds you in good health and high spirits. I am writing to express my gratitude for the support and guidance you provide to the Department of Computer Studies (DCS) in fostering the professional development of our faculty members.

I am pleased to inform you that the **Huawei ICT Academy Support Center**, in collaboration with **Bulacan State University (BulSU)**, will be conducting a comprehensive 36-hour training program titled "Train-the-Trainer Program focused on Artificial Intelligence." The program is scheduled to take place on **August 25, 2024, September 15 and 28, 2024, October 6 and 12, 2024 from 9:00 AM to 4:00 PM via the Zoom platform.**

In light of this opportunity, I humbly request the approval of your good office for the participation of the following faculty members from the Department of Computer Studies (DCS) with the Department of Computer Engineering (DCpE):

1. Marvin B. Ayson
2. Jackilyn B. Baccay
3. Rizza G. Baltazar
4. Melanie A. Crisostomo
5. Nathaniel P. Dela Cruz
6. Maria Charmain A. Estrada
7. Jayson U. Galang
8. Renato C. Galang, Jr.
9. Louella G. Gonzales
10. Erl Xander G. Labung
11. Marsha S. Lintag
12. Ocirne Jun-Jun S. Liwanag
13. Johnny L. Miranda
14. Thelma D. Miranda
15. Gemmarie T. Muñoz
16. Jean Bernadette C. Parcher
17. Rodel R. Pentecostes
18. James Bryan T. Roman
19. Gerald Christian M. Tamo
20. Aloysius S. Valerio
21. Agustin Edmin S. Yuzon
22. Maribel T. Bravo
23. Johan Winsli G. Felix
24. Romana B. Pare
25. Rosalie T. Tuazon

Participation in this training program will greatly enhance the skills and knowledge of our faculty members, enabling them to provide top-notch education in the rapidly evolving field of AI. It is important to note that the training is provided **free of charge.** Please the attached email invitation.

Thank you very much for considering this request. Your support in advancing our faculty members' professional development is invaluable. Thank you and God bless.

Respectfully yours,

MELANIE A. CRISOSTOMO
Chair, DCS

Noted:

MADELIENE R. SOLIS, D.T.
Dean, CoECS

Recommending Approval:

MINA LYN G. ALVIZ, MAEd
Acting Vice President for Administration and Finance

SYLVIA S. DE GUZMAN, Ed.D.
Vice President for Academic Affairs

APPROVED:

ANITA G. DAVID, Ed.D.
University President

Subject: Invitation for Train-the-Trainer HCIA-AI (Artificial Intelligence)
To:

Dear Partner Academy,

I hope you're doing well and staying healthy. I am writing to extend a formal invitation on behalf of the Huawei ICT Academy Support Center (IASC), in collaboration with Bulacan State University (BulSU), for the upcoming **Train-the-Trainer Program focused on Artificial Intelligence.**

In connection with the ongoing initiatives of the Philippine IASC, BulSU is taking the lead in promoting Huawei ICT Academy in the Philippines. This training program aims to equip educators in the fields of Electronics and Communication Engineering (ECE), Information Technology (IT), Computer Science, Computer Engineering, and other related fields with advanced knowledge and expertise in Artificial Intelligence.

Key details of the program are as follows:

- **Program**: Train-the-Trainer Program – Artificial Intelligence
- **Date:** Aug 25 (Sun), Sept 7 (Sat), Sept 15 (Sun), Sept 28 (Sat), Oct 6 (Sun), Oct 12 (Sat)
- **Time:** 9:00 AM - 12:00 PM and 1:00 PM - 4:00 PM
- **Duration:** 36 HRS
- **Mode**: Online (via Zoom) – Link will be shared to participants after their registration

This program will significantly contribute to enhancing the skills and knowledge of educators, enabling them to provide top-notch education in the rapidly evolving field of AI. The sessions will be conducted by our own IASC instructors providing valuable insights into the latest advancements and trends in the domain.

Kindly confirm your participation by **August 21** to ensure adequate preparations for the program. You may forward the link below to your academic community for registration.

For any inquiries or further information, please do not hesitate to contact me at dennis.delacruz@bulsu.edu.ph or at +63 998 597 0396.

Thank you for considering this invitation. We look forward to your positive response and participation.

Sincerely,
Dennis

About the Trainor:

Dr. Reagan L. Galvez is a Professional Electronics Engineer and the Dean of the College of Engineering at Bulacan State University. He earned his Bachelor of Science in Electronics and Communications Engineering at Bulacan State University. He finished his Master of Science in Electronics and Communications Engineering and Doctor of Philosophy in Electronics and Communications Engineering at De La Salle University (as a DOST-ERDT Scholar). Dr. Galvez is an Associate Member of the National Research Council of the Philippines (NRCP) and the former Vice Governor for Education of the Institute of Electronics Engineers of the Philippines (IECEP), Bulacan Chapter. Dr. Galvez presented his research at international conferences in the Philippines, Malaysia, Korea, and Japan. He also published technical papers in the IEEE Xplore and Scopus-indexed journals. His article entitled "Identifying threat objects using faster region-based convolutional neural networks (Faster R-CNN)" received the best paper award in the 2021 4th International Symposium on Advanced Intelligent Informatics (SAIN) held in Indonesia (Virtual). His research interests are in the areas of artificial intelligence, computer vision, and swarm robotics.
