Sir:

We hope this letter finds you well. We are Mr. Joseph Oliver C. Lofranco and Mr. Angelo DG. Rullepa, Instructors of the College of Agriculture Systems and Technology. We are writing to request permission for us to stay at the University's Male Dormitory.

Despite our best efforts, we have been unable to find an apartment near the university. We are both from other provinces and need accommodations that will allow us to focus on our work without the added stress of long commutes or housing uncertainties.

We believe that staying at the Male Dormitory would be the most practical solution given the circumstances. Your approval of this request would greatly ease our current situation and help us concentrate on their professional duties.

Thank you for considering this request. We look forward to your favorable response.

Sincerely,

JOSEPH OLIVER C. LOFRANCO, MSc.
