Dear **Dir. Pacunana**:

Blissful greetings!

I'm Queency Eurranne G. Castillo, and I'm writing to formally tender my resignation from my position as Project Technical Aide VI under the Office of Innovation of this university, effective May 16, 2025.

Serving PSAU for almost three years has been immensely rewarding, and I'm deeply grateful for the opportunities to contribute to the university's innovation and agricultural initiatives. From drafting technical documents and policies to developing communication materials, by leading as an Editor-in-Chief of the Innovation in Focus quarterly newsletter, and by managing the social media presence of Sibul Technology Business Incubator (TBI), I have gained invaluable skills that really shaped me as a professional.

This decision was not made lightly as PSAU has been a significant part of my journey as a student, and as an employee. However, I have been offered a new opportunity that aligns with my career goals of expanding my horizons in public service.

To ensure a smooth transition, I am committed to completing my current responsibilities and assisting in the turnover process. I am happy to support the team in any way I can during my remaining time.

Thank you once again for the trust, guidance, and opportunities you have provided. I will always take pride in being part of PSAU, and I will continue to support its mission of advancing education, innovation, and community development.

Should you need to reach me, please don't hesitate to shoot me a message at 09682478186, or email me at queency_castillo@psau.edu.ph.

Sincerely,

QUEENCY EURRANNE G. CASTILLO
