DR. ANITA G. DAVID

Dr. David:

Greetings of peace and prayer from the Center for University Extension Services (CUES) of the Pamantasan ng Lungsod ng Maynila (PLM)!

The Pamantasan will be holding its first Namnama ken Garaw National Multi-Disciplinary Extension Conference on June 11, 2025 from 8:00 in the morning until 4:00 in the afternoon (plenary and parallel sessions) and at 4:01 in the afternoon until 6:00 in the evening will be socialization and networking.

NAMNAMA ken GARAW are Ilocano terms for hope (Namnama), and (ken), and action (Garaw). Hope does not end in hope alone but there must be action from the partner communities and the extension services providers.

It is important to extend fruits of scientific, rigorous, and scholarly research and instruction to the community. An educational institution serves as the arm of the universities, colleges, and institutions for nation-building and social development. These institutions bring hope to the communities in making the lives of the people better and brighter.

Carrying the banner **P**ag-asa at **L**iwanag, at **M**alasakit, NAMNAMA ken GARAW National Multi-disciplinary Research-based and Community-based Extension Conference will be pioneered by the Pamantasan ng Lungsod ng Maynila in partnership with the University of Makati, Ugnayan ng Pahinungod of UP Diliman, and San Mateo Municipal College and in collaboration with the different colleges and units.
