ANITA G. DAVID, Ed. D.
SUC President IV
Pampanga State Agricultural University
PAC, Magalang, Pampanga

DEAR DR. DAVID:

Warmest Greetings!

I respectfully endorse to your good office the renewal of the contract of **MR. FRANCIS JOSEPH R. MASA** for the position of Instructor I (Temporary) in the College of Arts and Sciences, effective 2nd semester, SY 2025-2026.

Mr. Masa is currently conducting his thesis/experiment, which will lead to the degree of MS in Biology at our prestigious university.

Mr. Masa has been with the University as an Instructor 1 since February 2024. He is currently handling Biology major courses, including Agricultural Biotechnology, Environmental Policies and Laws, Plant Physiology, Principles of Biodiversity and Conservation, and GE-ELECT-STS (Science, Technology, and Society).

He performs excellently in his teaching, with a rating of 96.45% in the Student Evaluation of Faculty Performance for the second semester, SY 2024-2025. As a faculty member, he fulfills his responsibilities with great determination, enjoyment, and eagerness.

Furthermore, he enthusiastically participates in different activities in our College and University. In addition, he is actively involved in a DOST-PCAARRD-funded Research Project as Project Staff/Researcher.

May the above rationalizations merit my request for the renewal of his appointment. Thank you very much and Godspeed!

Thank you so much and Godspeed!

Sincerely yours,

EVELYN V. TOTAAN, Ph.D.
Dean, College of Arts and Sciences

This University

Dear Dr. David:

I am writing to formally express my intent to renew my contract, which is set to expire in February 2026. I have had the privilege of serving the university as an instructor since February 2024, and during this time, my experience here has significantly shaped my professional growth and strengthened my commitment to academic service.

Working in this institution has inspired me to become more selfless in my vocation and more deliberate in my pursuit of excellence, enabling me to continuously improve for the benefit of my students and the university community.

In addition, I am pleased to share that I am in the process of completing my graduate studies in MS Biology. This academic milestone will further enhance my instructional competence, research capability, and overall contribution to the university's academic programs.

In this regard, I respectfully look forward to your favorable consideration of my request for contract renewal. You may rest assured of my continued dedication, professionalism, and highest level of commitment to the responsibilities entrusted to me.

Attached herewith are the pertinent documents for your kind perusal.

Respectfully yours,

FRANCIS JOSEPH R. MASA
