Director, Office of Business Affairs

Subject: Request for Approval to Utilize OBA IGP Projects for CBEE Extension and ABM Work Immersion

Dear Dr. David:

Good day!

The College of Business, Economics, and Entrepreneurship (CBEE) respectfully requests approval from your good office to utilize selected Income-Generating Projects (IGPs) under the Office of Business Affairs as part of the College's extension program, in partnership with Magalang Senior High School Stand Alone II, for the Work Immersion program of Accountancy, Business, and Management (ABM) students.

This proposed collaboration aims to provide ABM students with meaningful and relevant hands-on experience aligned with their field of specialization. Through active participation in OBA IGP projects, the students will be able to enhance their business, managerial, and entrepreneurial competencies while fulfilling the requirements of their Work Immersion subject.

Moreover, this initiative supports the extension function of CBEE by strengthening institutional linkages with senior high schools and contributing to the holistic development of learners through experiential and practical learning opportunities.

In this regard, we humbly seek your approval and support for the implementation of this activity. Rest assured that all participating students will strictly comply with the policies, guidelines, and supervision protocols set forth by your office.

Thank you very much for your time and consideration. We look forward to your favorable response.

Respectfully yours,

JULIE L. AGUILAR, MBM
College Extension Coordinator

LESLIE V. TORRES, MPS
Acting Dean, CBEE

Noted:

DR. AL R. MUÑOZ
Director, Office of Business Affairs

Recommending Approval:

DR. LYNDON G. SOLIS
VP for Planning and Resource Generation
