02/04/26 RELEASED

Dear Ma'am,

I hope this message finds you well.

I would like to respectfully inform you that Angeles University Foundation has offered me a part-time teaching opportunity during my free time, specifically every Friday, for this semester. I understand that the four-day work schedule serves as a compensation for the regular Monday-to-Friday work arrangement. With this in mind, I accepted the offer with the understanding that my teaching engagement will be scheduled on Fridays only.

I am writing to formally inform you of this engagement to ensure transparency and to avoid any possible concerns regarding my affiliation with another institution. Please rest assured that this part-time commitment will not, in any way, affect my performance and responsibilities as a coach/faculty member in our university.

In the event that there are university activities, meetings, or official events that require my attendance on a Friday, I will prioritize my responsibilities in our university and will immediately coordinate and communicate with the other institution accordingly. Additionally, I accepted this opportunity to help support my younger sister's education, as I am currently assisting her financially until she finishes her studies.

Thank you very much for your kind understanding and consideration.

Respectfully yours,

EDISON FLORES BUAN
Faculty Member, College of Education
