THRU: GERALD M. SALAS, Ph.D. Project Leader - Conserve MAPL Project

Dear President David:

Please accept this letter as formal notification that I am resigning from my position as **Research Aide** at the **Conserve MAPL Project**, effective February 28, 2026.

I am writing to inform you that I have accepted an offer to serve as a **Project Technical Assistant II** at the **Center for Affiliated Renewable Energy and Energy Efficiency and Conservation (CARE)** within the university. While I am eager to transition my technical expertise toward the university's initiatives in renewable energy and sustainability, leaving the Conserve MAPL Project is a bittersweet decision.

My time as a Research Aide has been incredibly rewarding. I am deeply grateful for the opportunity to have contributed to the Conserve MAPL Project and to have worked under the guidance of Dr. Salas. The experience I gained in biodiversity monitoring, community coordination, and social media management has been invaluable to my professional development.

I am committed to ensuring a smooth transition of my current responsibilities, including updating the inventory databases, and handing over all project documentation and social media responsibilities to the rest of the team.

Thank you for your continued support as I transition into this new role at CARE.

Sincerely,

CYRUS RAFAEL F. CUNANAN
Research Aide

Noted:

GERALD M. SALAS, Ph.D.
Project Leader
