Greetings!

The Office of Extension and Training is pleased to inform you of the cooperation and support that you have provided. In line with this, I seek approval to conduct a presentation and evaluation of the Extension Proposals/BIDANI Workplan and Financial Plan on September 6, 2024 (Friday) at 8:00 AM via Zoom platform. Furthermore, I kindly ask that the RIET Council appoint your esteemed office (President), the 4 Vice Presidents, 7 College Deans, and the Administration Financial Team as the evaluators for this session.

The following schedule has been established following the 3rd quarterly meeting of BIDANI coordinators, which took place on July 22, 2024. Early preparation of the work plan for 2025 is essential to issue the special and office order for BIDANI and non-BIDANI faculty extensionists as early as January 2025, enabling them to commence their activities for the first quarter of the year.

The main objective of this presentation is to outline our strategic plans, objectives, and activities for the upcoming year. It will provide an opportunity for us to ensure that our extension programs are aligned with the university's goals and to effectively engage with the community.

Thank you very much.

Very truly yours.

Director, Office of Extension and Training
