SUC President IV

Dear Madam President:

Greetings of Peace!

I extend my sincere appreciation on behalf of the library and museum department for the continuous support, love, and understanding extended to our office. In this regard, I would like to request your approval for the library work schedule for the Academic Year 2024. We are seeking to extend our operating hours from Monday to Saturday, spanning from 7 a.m. to 6 p.m. with no noon break. This adjustment is intended to better accommodate our clients, especially those who wish to utilize our services after their classes and during examination periods (Midterms and Finals). The extended hours aim to provide them with ample time for study, research, and the utilization of our resources, services, and facilities.

The primary objective of this work schedule is to align with the required benchmark statement outlined in the AACCUP OB Survey Instrument under Area VII-Library for Parameter D.1.2: Service and Utilization. This benchmark mandates that the library opens for a minimum of 54 hours per week for Academic Units or **60 hours per week for Institutions** with a clear budgetary allocation. Implementing this extended schedule is not only a requirement but is also considered one of the best practices that we can offer to our clients.

To address civil service compliance while surpassing more than 60-hour service requirements set by the AACCUP, we have devised a rotating schedule for our library staff. They will be assigned three different schedules on an alternate basis (7 a.m. – 4 p.m., 8 a.m. – 5 p.m., and 9 a.m. – 6 p.m.) each comprising 8 hours with a lunch break.

In support of this request, I have attached the detailed work schedules of our library staff, a sample of library service hours from other institutions, and the AACCUP Survey Instrument for your review and consideration.

Your approval of this revised work schedule will greatly contribute to our commitment to providing excellent service to our clients.

Thank you for always supporting our undertakings. We look forward to another fruitful academic year and successful collaboration.

Very truly yours,

CYRENE D. ALVARADO, RL, MLIS
