**DR. ANITA G. DAVID, Ed.D.**
President
This University

Dear Dr. David:

Warm greetings, Ma'am!

As we build up on our vision of being a Premier State Agricultural University for Humane and Blissful Development, the Office of Gender and Development, in cooperation with the Human Resources Management Unit, would like to propose a seminar on Mental Health in the Workplace. Mental health is a concern of everyone, regardless of sex and gender, although mental health issues affect men and women differently. This seminar aims to continue on our efforts of promoting the well-being of the PSAU university personnel, also in compliance with the **CSC Memorandum Circular (MC) No. 4, s. 2020**, mandating government agencies to craft and implement a Mental Health Program to promote overall mental wellness and provide an inclusive, conducive, and supportive work environment for public officials and employees.

The said activity will be held on August 30, 2024, from 9 am-12 noon, via the Zoom platform. We have invited **Mr. Wawie DG. Ruiz**, faculty member of the Psychology Department of Central Luzon State University.

In this light, we would like to request your permission for the conduct of the activity. May we also request that the honoraria of the speaker and other incidental expenses be charged against the GAD budget of the university, subject to existing accounting and auditing rules and regulations. May we also request that an office order be issued as well as the assistance of the MIS Office to ensure the smooth facilitation and the participation of the university personnel on this significant activity.

Thank you very much and we hope for your favorable action on this request.

Very truly yours,

**MARIE ANNE D. VALERIO, MAED**
Director, Office of Gender and Development

**JOAN C. REYES, Ph.D.**
Director, Administrative Services

Recommending Approval:

* Please prepare budgetary requirement

**MINA LYN G. ALVIZ, MAEd.**
