Dr. ANITA G. DAVID
University President

Ma'am:

This is to respectfully submit narrative report on participation to the seminar/training entitled "36th Philippine Agricultural Engineering Week, 21st International Agricultural Engineering Week, 74th PSABE Annual National Convention on April 21-25, 2025, Grand Xing Imperial Hotel, Iloilo City

- **Highlights of the training/activity**

  The 5-day PSABE Annual Convention was highlighted with plenary sessions and technical paper presentations related to Agricultural and Biosystems engineering focusing on Climate Resiliency, Water Energy and Food Security.

  Day 1- Arrival and Registration. The undersigned attended the seminar as a participant. The first day was allotted for travel from Pampanga to Iloilo and registration. The undersigned arrived at the venue at 5:00PM and signed all papers needed for the registration.

  Day 2- The morning of April 22 was spent in the opening program graced Dr. Baldwin Jallorina, Director IV, DA–Bureau of Agricultural and Fisheries Engineering. Plenary sessions were conducted just right after the opening program which focused on the following topics namely: (1) "The New ABE Table of Specifications" by Hon. Caesar Joventino M. Tado, Ph.D. – Member, Professional Regulatory Board for ABE. (2) "Continuing Professional Development" by Hon. Sherwin A. Valdez – Member, Professional Regulatory Board for ABE. (3) "Philippine Credits Transfer Systems" by Hon. Ariodear C. Rico – Chair, Professional Regulatory Board for ABE

  Day 3- A hybrid - plenary session which was participated in by local and international speakers was staged in the morning of April 23, 2025. In the afternoon, parallel sessions where conducted in three small groups focusing on three areas of specialization of ABE. Latest research outputs were showcased in the form of poster competition.

  Day 4- Election of PSABE board of directors for year 2025-2026 was held in the morning of April 24, 2025, At the same time technical paper presentation was simultaneously held in three different categories namely: AB Power and Machinery, AB Product Processing and Development, and AB Land and Water Resources Engineering. Dr. Rosani P. Manalastas

Day 5 (April 25, 2025)

- **Plan of action for knowledge sharing**

  The knowledge and experience acquired in this event will be utilized thru:

  1. Knowledge sharing to students
  2. Technology adoption thru research and extension
  3. Partnership and collaboration with other participants and speakers

- **Recommendations**

  Support to faculty participation in national/ international conferences is highly appreciated.
