This University

Ma'am:

Greetings from the College of Agriculture Systems and Technology!

The Qualifying Examination to be administered among incoming 3rd year students of the BS Agriculture program is tentatively scheduled in June 16, 17, and 18, 2025. Considering the preparations for the activity, may I request that service credits be granted to the following faculty members who are on Teacher's Leave status:

1. Arriz L. Cabigting
2. Alvin S. Sanchez
3. Jerah Mystica B. Novenario
4. Gladys C. Mangulabnan
5. Israel M. Guanzon
6. Loreen Lois V. Vitalico
7. Bettina Claire A. Macalino
8. Aldrin P. Lumanog
9. Joseph Oliver C. Lofranco
10. Adrian B. Bantegui
11. Angelo DG. Rullepa
12. Jan Micah P. Manaman

Since this initiative is in its first implementation, I believe that it requires a rigorous process which also necessitates significant time and focus. The faculty members involved are expected to consider, draft, and review examination questions that align with the policies and standards of the college, as well as the scope of the board of agriculture.

We look forward to your positive response to this.

Thank you very much for your usual support.
