Dear Dr. David,

Greetings from the Graduate School!

The Graduate School, in partnership with the Research and Development Office and Journal of Science, Innovation and Technology, and in cooperation with the City College of Angeles and the Pampanga Research Educators Organization (PREO), will hold the 2nd International Graduate School Research Conference with the theme, "Empowering Change: Graduate Education, Innovation, and Inclusivity for Food Security," on May 22, 2025, from 8:00 A.M. to 5:00 P.M. via Zoom.

This conference aims to provide a platform for graduate students from diverse disciplines to share their research insights, findings, and experiences on a wide range of topics. By collaborating with esteemed institutions and organizations, we seek to foster a rich exchange of ideas and promote cross-cultural understanding, in line with our commitment to academic excellence and innovation.

We have invited one international keynote speaker and six session chairs for each breakout session. The panel of evaluators will be composed of **5 PREO members and one from the Department of Agriculture. All moderators are from the City College of Angeles and PREO.**

In this regard, we respectfully request your approval to conduct this conference. We would like to request also for the **honorarium of the speaker, session chairs and moderators, food for the committees and an Office Order** to formalize our participation. Attached are the list of committees, proposed budgetary requirement of the activity and proposed program flow.

Rest assured that proper documentation will be maintained and standard procedures for the conduct of the activity will be strictly observed.

We hope for your favorable response. Thank you very much, and God bless!

Very truly yours,
