Thru Channels

Dear ***President David***:

Greetings!

May I endorse **Dr. Aris F. Miclat and Dr. Maylen D. Pineda**, to attend the "Advancing Livestock Enterprise and Resource Training Program for Veterinarians: Strengthening Diagnostic Competence in Pathology and Transferrable Veterinary Skills" scheduled on August 26–29, 2025 at the Center for Transdisciplinary Research and Development (CenTrAD), Central Luzon State University, Science City of Muñoz, Nueva Ecija.

This training aims to enhance participants' practical skills and competencies in veterinary pathology and diagnostic procedures, which are highly relevant to our goals in veterinary education, extension, and service. The participation of Dr. Miclat and Dr. Pineda will not only contribute to their professional growth but will also enable them to cascade the learnings to our academic and research programs.

We respectfully seek your favorable endorsement and approval of their attendance to this important capacity-building activity. **Registration fee of Php 3,000.00 each to cover for meals and accommodation for three nights can be charged against their faculty development fund.**

Thank you very much for your usual and kind consideration of this request.

God bless and more power!

Very truly yours,

NEIL C. TANQUILUT
Dean

Advancing Livestock Enterprise and Resource Training Program for Veterinarians:

Strengthening Diagnostic Competence in Pathology and Transferrable Veterinary Skills

August 26-29, 2025
CenTrAD, CLSU, Science City of Muñoz, Nueva Ecija

August 7, 2025

DR. ANITA G. DAVID
President
Pampanga State Agricultural University

THRU: **DR. NEIL C. TANQUILUT**
Dean, College of Veterinary Medicine

Dear Dr. David:

Warm greetings!

The Center for Transboundary Animal Diseases (CenTrAD), in partnership with the Philippine Veterinary Medical Association (PVMA) and Global Health Pathology Network (GHPN) will conduct a training-workshop entitled **Advancing Livestock Enterprise and Resource Training Program for Veterinarians (Vet ALERT): Strengthening Diagnostic Competence in Pathology and Transferrable Veterinary Skills**, on August 26-29, 2025 at the CenTrAD Mini Theatre, CLSU, Science City of Muñoz, Nueva Ecija. This activity aims to bridge knowledge gaps for educators and government veterinarians to foster a stronger referral system and collaboration within the veterinary network.

In this regard, we would like to invite **Dr. Aris F. Miclat and Dr. Maylen D. Pineda** from your institution and be one of our participants. We have attached herewith the detailed program for your reference. There will be a registration fee of P3,000.00 for their participation to cover meals and accommodation for three nights. The program has been awarded a provisional 15 CPD points by the PRC-CPD council.

Please confirm their participation by August 8, 2025. Should you have any queries, please contact our CenTrAD Secretariat, Mr. Bonne Andrew O. Domingo, 09350345852/09625225617 email bonneoratadomingo@gmail.com.

We look forward to your positive response and thank you very much for your preferential attention.

Kind regards,

DR. VIRGINIA M. VENTURINA
Project Leader
Director, CenTrAD

DR. JERRY V. ALCANTARA
President, PVMA

Advancing Livestock Enterprise and Resource Training Program for Veterinarians
