DR. ANITA G. DAVID
President
Pampanga State Agricultural University
Magalang, Pampanga

Dear **President David**:

In line with the nationwide celebration of Organic Agriculture (OA) Month every November through Presidential Proclamation No. 1030, series of 2015, the State shall further promote, propagate, develop, and practice OA in the country. With this, Agricultural Training Institute-Central Luzon supports this year's OA Month Celebration with the theme **"Kabuhayang OA, Kinabukasang OK: Halina at Kumita sa Organikong Agrikultura!"** which focuses on organic farming as a financially viable and sustainable alternative to conventional agricultural practices.

Part of the celebration is the conduct of the **4th Regional *Kabataang OA ng Gitnang Luzon* Quiz Bee**, an inter-collegiate quiz competition participated by young individuals taking up agriculture or any agriculture-related courses in accredited State Universities and Colleges (SUCs) throughout Central Luzon. Expected to participate in the quiz bee are 40 agriculture and agriculture related major students from SUCs.

In order to fulfill the objective of this activity, we would like to request your good office to send six (6) agriculture and agriculture related major students and one (1) coach to represent our school in the quiz bee. This will be conducted at **ATI-RTC III, San Ramon, Dinalupihan, Bataan**, on **October 8, 2025**.

Our Project Officer, **Ms. Zarah Jane N. Sendrijas**, is willing to coordinate the details of our request if needed. Your staff can best reach her to mobile number **0975-853-9192** if there is an urgent clarification.

We are thankful in anticipation of your favorable action regarding our request.

Truly yours,

for

SUBJECT: PROCEDURES AND METHODOLOGY OF THE "KABATAANG OA QUIZ BEE"

The Agricultural Training Institute (ATI), with its Regional Training Centers (RTCs), will spearhead the National and Regional Kabataang OA Quiz Bee, a dynamic knowledge-based competition designed to raise awareness and appreciation for organic agriculture (OA) among the youth.

This initiative aims not only to deepen understanding of OA principles and practices but also to encourage greater interest and enrollment in agriculture-related degree programs. The Quiz Bee will be open to college students enrolled in agriculture and related fields from various academic institutions across the country, fostering healthy competition, learning, and youth engagement in the pursuit of a more sustainable agricultural future.

OBJECTIVE

This activity aims to increase awareness and promote academic excellence of participants by expanding their knowledge and understanding of organic agriculture.

I. PARTICIPANTS

The participants to this activity are 40 Agriculture college students and 7 coaches from various universities and state colleges in CENTRAL LUZON Region.

The following mechanics will be followed:

- Each of the Regional Training Centers (RTCs) shall conduct a regional quiz bee. Only one regional champion shall participate at the national level;
- A board of examiners or technical working group from DA agencies shall be created to serve as panelists during the activity;
- The quiz bee shall be divided into three rounds - easy, moderate, and difficult rounds;
- The highest marks/score shall be declared as the winners;
- In case of a tie, clincher questions shall be raised to break the tie;
- Regional winners are allowed to bring one coach during the national competition;
- All clarifications, queries, and protests shall be addressed to the ATI Central Office through a formal letter.

A. BOARD OF EXAMINERS

Regional Board of Examiners

The Regional Board of Examiners is composed of representatives from any of the following:

- ATI Regional Training Center Representatives
- DA Regional Field Office Representatives
- National Organic Agriculture Board - Regional Representative

Functions and Responsibilities of the National and Regional Examiners:

1. Formulate questions for the OA Quiz Bee;
2. Validate the answers of the participants; and
3. Resolve issues in case of protests.

B. Quiz Bee Proper

1. The contestant shall be at the venue of the competition fifteen (15) minutes before the scheduled time. Immediate disqualification shall be implemented for those contestants who fail to show up;
2. The quiz master shall read and verify the answers of the contestants;
3. Answers must be complete and exact. Misspelled and incomplete answers are considered wrong;
4. Misbehavior of the contestants is subject to disqualification; and
5. There shall be a designated area for the coaches during the contest proper.
6. Cellular or mobile phones are not allowed during the competition
7. Silence must be observed all throughout the contest proper
8. The Quiz master shall read the question while the question itself will be flashed on a screen for the contestants to see.
9. The questions will be read by the quizmaster twice. Afterwards, the quizmaster will say "GO", only then the contestants may start writing their answer on the whiteboard marker given to them. All delegates should raise their pens and show their final answers after the time allotted for the specific questions.

First and Second Elimination Round:

- Participants will be provided with a questionnaire composed of 30 questions to be answered with a time frame of 30 minutes.
- Top 30 students will proceed to the second round of elimination.
- Participants must write their answers on the metacards provided. For multiple choice-type questions, letters must be written in all caps format. For true or false, T and F may be considered.
- Participants who answered incorrectly will automatically be eliminated and will no longer proceed to the next question/round.
- Only ten participants will move to the semi-final round.
- If in case that not more than ten participants answered the questions correctly, they shall automatically move to the semi-final round.
- Elimination round ends once the tenth slot in the semi- final round is filled.
- Contestants who will be caught cheating or copying answers from other contestants will be automatically eliminated.
- Coaching contestants during the quiz bee proper will also be eliminated.

Semi - Final and Final Round

- This is divided into three categories – easy, average, and difficult.
- Ten questions will be asked per category. Each correct answer will be given the following points:
  - Easy - 5 points
  - Average - 10 points
  - Difficult 15 points
- Each finalist will be given metacards and markers for their answers. Answers must be
- written legibly and must follow the instructions given in every question.
- Each finalist will be given a scratch paper for questions that require computations.
- Top five students will move to the Final Round which includes 5 clincher questions and the second part is the identification of various inputs used in organic farming to determine the champion.
- Top five will automatically be awarded as runners-up and Kabataang OA 2019.
