Dear Ma'am;

Greetings in Christ's wonderful name!

The Licensure Examination for Geodetic Engineering is scheduled on September 29-30, 2025, in Baguio City. It is regularly that we visited the PSAU examinees the day before their examination to spend time with them, boost their confidence, offer moral support, motivate and provide handy tips for the examination.

In this regard and on behalf of the faculty of the Department of Geodetic Engineering, I respectfully request your permission to allow us to visit the examinees on September 28-29, 2025, in Baguio City. Likewise, may I request for a University vehicle to be use for the said travel.

Your favorable response to this request will be greatly appreciated

Thank you, and may God bless you.

Sincerely yours,

ENGR. ROSEMARIE S. MACMAC
Chair, DGE

God bless the examinees!
