DR. ANITA G. DAVID
SUC President IV
This University

Dear Dr. David,

Greetings from the Research, Innovation, Extension, and Training (RIET) Cluster!

In line with the University's continued commitment to excellence in Research, Innovation, Extension, and Training, we respectfully request your approval to conduct a Team Building Activity for the RIET Cluster on October 2-3, 2025, in Morong Bataan.

This two-day activity aims to strengthen teamwork, establish unified strategic directions, and improve the implementation of programs aligned with the University's mission and vision. Specifically, the objectives of this initiative are to:

- Refine and align the themes and goals of research, innovation, extension, and training activities for the academic year;
- Identify priority areas that are responsive to community and industry needs;
- Strengthen inter-unit collaboration and interdisciplinary approaches; and
- Encourage creative and impactful initiatives that support both institutional and national development.

In line with this activity, we also humbly request the use of a university vehicle for transportation on the aforementioned dates. Moreover, we also would like to request *per diem* allowance to cover the expenses during the activity. The *per diem* will include accommodation expenses, meals, incidental expenses and other miscellaneous cost incurred during the two (2) day activity. The estimated cost will be Php 40,500.00.

We assure you that all preparations will comply with university policies and guidelines, and a post-activity report will be submitted accordingly. The proposed budget will be sourced from the available funds, subject to proper accounting and auditing procedures.

Please see the attached list of RIET personnels for reference.

We are hopeful for your favorable consideration and support for this important undertaking.

Thank you very much, and we look forward to your approval.

Sincerely,

DR. ROGELIO P. CARANDANG, JR.
Director, Office of Research and Development

ASSO. PROF. WALTER L. PACUNANA
Director, Office of Innovation
