January 06, 2026

ANITA G. DAVID, Ed.D.
SUC President IV
Pampanga State Agricultural University

Dear Dr. David,

Greetings of peace and good health!

The College of Agricultural Systems and Technology respectfully requests approval to conduct an awarding ceremony entitled "Golden Harvest: Honoring the New Generation and Future Agriculturists and Fishery Technologists." scheduled tentatively on January 29, 2026. This event will honor our distinguished alumni who recently passed the Agriculturists Licensure Examination, Fisheries Licensure Examination, and Food Technologists Licensure Examination, as well as award Certificates of Agricultural Science to students who have completed two years of the Bachelor of Science in Agriculture program.

The goal of this activity is to recognize the significant milestones of both our graduates and current students. It aims to inspire our students to pursue and successfully pass the Agriculturists Licensure Examination (ALE) and Fisheries Licensure Examination (FLE) thereby increasing the number of licensed professionals from our institution. By acknowledging these achievements, we hope to motivate greater dedication and excellence in agricultural education and practice.

We also kindly request the use of the University's Audio Visual Room as the venue for this meaningful ceremony.

Thank you very much for considering our request. We look forward to your favorable response and support to ensure the success of this significant event.

Sincerely,

ARRIZ L. CABIGTING
Team Leader, Task Force LEA

Noted:

RAFAEL R. RAFAEL, Ph.D.
