PAMPANGA STATE AGRICULTURAL UNIVERSITY MAGALANG, PAMPANGA RECEIVED DATE: 1-12-26 TIME: 3:40 BY: RECORDS UNIT 0082

DR. ANITA G. DAVID
University President
This University

Dear President David:

Greetings of peace and bliss!

For the purpose of strengthening the University's global identity, the Office of Public Affairs and International Linkages has developed a standardized branding manual. The said manual will assist the involved personnel in maintaining a cohesive visual identity and ensuring that all representing platforms and resources align with the University's core values and professional standards.

The Office has enlisted the services of Moreno Reambillo for January 13–14, 2026 for the production of related promotional assets, specifically University Invocation, PSAU Hymn, National Anthem, and PSAU Corporate Profile. **Henceforth, we respectfully request your approval in providing accommodation at the University Hostel for the aforementioned team during this period.**

We are confident that this will significantly contribute to the seamless integration of our institutional branding across all communication channels, fostering a more recognizable and prestigious presence within the internationalization context.

We hope for your kind consideration of this request. Thank you for your continued support in reinforcing the University's brand identity.

Respectfully,

ASST. PROF. CARLO D. DE DIOS
Director for Public Affairs and International Linkages
