President
Pampanga State Agricultural University

Dear Dr. David,

Greetings!

We are pleased to inform you that the **APAC Regional VEX U Tournament – Hosted in the Philippines**, under the **VEX U Robotics Competition 2025–2026: Push Back**, will be held on **January 29–30, 2026** at the **TESDA Women's Center (TWC), Building 2, TESDA Complex, East Service Road, South Superhighway, Taguig City, Metro Manila, Philippines**.

This prestigious regional tournament brings together top university robotics teams from across the Asia-Pacific region and serves as a major platform for showcasing innovation, engineering excellence, and collaboration in higher education robotics. Participating teams will compete for recognition and qualification opportunities toward the **VEX Robotics World Championship**, to be held in **St. Louis, Missouri, USA, in April 2026**.

This event strongly aligns with the mission of Pampanga State Agricultural University in advancing **STEM education, research, and technological innovation** among tertiary-level learners. In this regard, we respectfully invite you to grace the event with your presence. Your support and message would greatly inspire the participating students, coaches, and academic institutions, and further emphasize the vital role of robotics and engineering education in developing globally competitive Filipino graduates.

Should you wish to endorse or send university teams to participate in this regional competition, we would be honored to extend our full support and coordination.

We look forward to your positive response and to welcoming Pampanga State Agricultural University as part of this significant regional milestone in robotics education.

Respectfully yours,
