Dear President David:

Mabuhay!

The Security Office will conduct a general meeting for all security personnel of Pampanga State Agricultural University on January 19, 2026, on the 2nd floor of the University Food Center. This meeting is intended to address operational concerns and challenges raised by the team, reinforce standard operating procedures, and conduct refresher drills to ensure preparedness in emergencies. It will also serve as an opportunity to strengthen communication and morale among the security staff, fostering a culture of teamwork and accountability.

Security personnel play a vital role in safeguarding our premises and ensuring the safety of all stakeholders. By holding this meeting, we aim to proactively address issues, refresh critical skills, and reaffirm our commitment to operational excellence.

To support full participation and maintain engagement throughout the session, we kindly request approval for a food allowance for all attendees.
