Thru: **DR. SYLVIA S. DE GUZMAN**
Vice President for Academic Affairs

Dear **Dr. David**,

Warmest greetings from the College of Education!

The College of Education of Pampanga State Agricultural University is currently applying for Center of Excellence status. In line with this, we are now undertaking the necessary preparations and compliance with the documentary and institutional requirements prescribed for the said application. Final submission of documents will be on February 13, 2026.

In this connection, may we request the issuance of an Office Order formally constituting the Teacher Education Council – Center of Excellence Committee of our college, which shall be responsible for coordinating, facilitating, and overseeing the tasks necessary for the timely and orderly completion of all requirements.

The formal creation and recognition of the said committee through an Office Order is essential to ensure proper coordination, clear designation of responsibilities, and efficient implementation of all related activities.

In this regard, may we respectfully seek your kind approval regarding the request.

Thank you very much for your continued support and leadership in advancing the academic excellence of the University.

Respectfully yours,

ELMER P. CALAGUAS, PhD, LPT
Dean
