Director, Office of Public Affairs and International Linkages

Dear Ma'am:

Greetings!

I am respectfully writing to seek your kind permission to study at Maejo University, Thailand, under the existing Memorandum of Understanding (MoU) between our institutions.

Prior to this request, I have already made an inquiry with Maejo University regarding the application process for international students. Based on their official instructions, applicants who apply through the MoU arrangement are eligible for free tuition, waiver of international student fees, and free accommodation. In line with this, Maejo University advised that endorsement and approval from the home university are required to proceed with the application under the MoU.

In view of this opportunity, I humbly request your approval to pursue my studies at Maejo University under the said agreement. I firmly believe that this academic exposure will significantly contribute to my professional growth, enhance my academic competencies, and bring honor to our university through international academic collaboration.

Should additional documents, endorsements, or requirements be necessary to support this request, I am more than willing to comply at your convenience.

Thank you very much for your time and kind consideration. I sincerely hope for your favorable response.

Respectfully yours,

DIVINE REINE S. AQUINO
